- The Indoor Range is not available for rental.
- Use of the Rental Range, by anyone, is strictly prohibited unless prior arrangements have been made in accordance with this document.
- Rental rates are: \$100.00 minimum or \$10.00 per person for a maximum of 6 hours per rental. If classroom is needed exclusively, these rates will apply. If classroom and range are needed on the same day, a minimum \$50.00 classroom fee will apply.
- Rental requests must be made in writing, preferably by email, to: dave.aubele@comcast.net. Request must contain the following: **name of company/organization, rental date, estimated start and end times, estimated number of shooters/participants, and name and contact info for individual(s) that will be at the range and supervise the training.** A reply email will be sent as confirmation of the rental date, and also entered on the online LFSC Calendar.
- The individual(s) responsible for supervising the training must be at the range/classroom while others are there. That individual can designate another person to temporarily supervise in their absence, but cannot leave for the day while others remain on club property.
- No full auto fire on the Rental Range! If full auto fire is required, we'll arrange to rent a range where full auto fire is permitted.

- Rental of other LFSC ranges can be done, but must be discussed to determine which range can be used based on your needs and specific range rules that will or will not accommodate your use of that range.
- Rental cancellations must be made at least 48 hours before rental date. Failure to cancel within that time frame will result in a \$50.00 late cancellation fee. If no cancellation notice is given, the minimum range fee of \$100.00 will be charged. To cancel, email: dave.aubele@comcast.net
- A Gate Key may need to be issued to the renter, for the purpose of entering and leaving the facility. Prior arrangements will be made if this is necessary.
- When rental is complete, email: dave.aubele@comcast.net with number of individuals that used the range. An invoice will be emailed with remittance information.
